DEFINITIONS

(n) = Number

Nulliparas = Women who have never had a previous pregnancy resulting in a live birth or stillbirth (≥ 500g)

Multiparas = Women who have had at least one previous pregnancy resulting in a live birth or stillbirth (≥ 500g)

N/A = Not available

The Maternity Patient Safety Statement for Mayo University Hospital provides up to date information for management and clinicians who provide maternity services in relation to a range of patient safety issues for the month of June and year 2016.

The information in this Statement is a core element of clinical governance and management of maternity services within the above hospital and the Saolta University Health Care Group.
